

Dear art lovers,

from September **23 to 27, 2024** I cordially invite you to the first trial run of my creative week in **Sardinia** in **Casa Vinyart**.

Here are the details for the event:

### **Location and surroundings**

Casa Vinyart is located on the Costa Smeralda, just 30 minutes from Olbia airport. The surrounding area offers a variety of beautiful beaches and is ideal for creative inspiration. A car is necessary to explore the area and to be flexible. You can coordinate with the other guests and rent a car together.

**Accommodation:** The holiday apartment Casa Vinyart offers space for a small group and has 3 double rooms as well as 2 modern bathrooms, a cosy living room and a small kitchen. You can prepare your own breakfast here or fetch a coffee, tea and fruits in the morning from the art studio (right next door).

The accommodation is only designed for double occupancy, for more privacy there is an AirBnB within walking distance.

**Creative program:** Every morning from 9 a.m. to 1 p.m. we work on our small-formats on the 90 sqm shaded terrace with ocean view. Our long table for 12 people offers enough room to work comfortably. During a morning walk around the house, we can get inspiration for the day with paper and pencil. Maximum number of participants: 6/7 people.

### **Creative activities:**

- Collages
- Serial work - drawing
- Drawings
- Painting
- Embroidery
- Sewing
- Or whatever you like

Materials such as paper, pencils, wooden boards, acrylic paints and brushes will be provided. Please bring your favourite collage material, watercolours or other material.

**Daily program:** After the creative morning, we will prepare lunch together in the large studio kitchen. The afternoon is at leisure: Relax, explore the area or continue working. Optional boat tours can be organized. In the evening, we can enjoy an aperitif in one of the coastal or mountain villages, go out for dinner or cook at home.

**Arrival and departure:** Arrival is possible from Saturday, September 21, 2024, departure until Saturday September 28, 2024. There are direct flights to Olbia from many European cities, alternatively via Rome FCO with connecting flight or car ferry from Livorno, Piombino and Civitavecchia.

**Costs:**

- Overnight stay in a double room: 40 euros per person per night for course participants
- Overnight stay in a double room with a partner (not a course participant): €100 per night
- Overnight stay in a single room: 100 euros per night

Course fee: 250 euros for 5 days including lunch for guests of Casa Vinyart. 350 euros for guests who sleep elsewhere.

If Casa Vinyart is fully booked, I can recommend an AirBnB within walking distance.

**Registration:** If you are interested or would like further information please write a message to [info@casavinyart.com](mailto:info@casavinyart.com). A deposit of 100 euros is required to book.

I am very much looking forward to spending this creative week with you and welcoming you to Casa Vinyart!
